Effective July 1, 2022

The Marian University mailroom provides services to students as well as Faculty and Staff for University Business. While the mailroom can do many services, we are not a full-service post office, UPS store, or FedEx location. We will assist you the best we can and will refer you to another location if what you need is outside the scope of what we provide.

Mailboxes

Each student living in a Residence Hall will have a mailbox that is shared with their roommate. A member of the Residential and Commuter Life area will deliver all mail items (not packages) to mailboxes each weekday. Please contact the building area coordinator for questions about mailboxes. Mail cannot be picked up through the mailroom.

Mail not picked up by the end of the semester will be forwarded to the student's permanent address on MUHUB. Students are encouraged to check their mailbox frequently.

Packages

Packages will first be sent to the PackCity Lockers located in the Dining Commons in Clare Hall. If your package is delivered to the lockers, you will receive an email from PackCity with a barcode that you use at the lockers to retrieve your package. Packages will expire after *4 days*. If your package expires, is too big, or the lockers are at full capacity, your package will be brought back to the mailroom, logged into our system, and you will receive an email from the mailroom for you to come and pick it up from here. All packages must be picked up within 14 days of their arrival on campus. Packages not picked up will be returned. Please wait to receive an email to pick up your package. If you do not receive an email after 1 business day please contact the mailroom.

Perishable Packages

Recipients of the perishable packages will be notified via email as soon as the package is received. Cooling will be provided for packages clearly marked as needing such. Students must pick up perishable packages within 48 hours of their arrival on campus. If it is not picked up, the package will be returned. Items coming from grocery store delivery, Uber Eats, Shipt or any other grocery delivery service should be delivered directly to the student. It is the student's responsibility to meet the delivery driver and receive the items.

Mail Distribution

Mail will be distributed to each department on weekday mornings. Faculty are encouraged to check their mailboxes. If you are unsure how your department gets mail or where your mailbox is please contact the mailroom.

Departmental Packages

Small packages will be delivered with the mail. Faculty and Staff will receive an email for all other packages for pick up from the mailroom.

Faculty, Staff, Follett, and Aramark Personal Mail and Package

Faculty, Staff, Follett and Aramark employees are not permitted to send personal mail or packages to the University. For alternative places to send packages different from home addresses, there are a few different options. UPS stores allow packages from any carrier (USPS, UPS, Fedex, DHL) to be delivered there and they will hold it for you to pick up with your ID. Amazon allows local Amazon lockers to be selected as a drop-off location. CVS and Walgreens also allow packages to be sent to their location for pick up.

Departmental Mail Pick-up and sending mail

Outgoing mail (USPS mail and interdepartmental mail) is picked up from the pickup locations throughout each building between 8 am - 9:30 am. Mail that needs to be sent out after that time can be left at the pick-up location for the next day or brought over to the mailroom and placed in the baskets on the bookshelf.

Interdepartmental mail must be in a blue interdepartmental office envelope and clearly marked with the recipient's name and department. If you need blue interdepartmental envelopes please email the mailroom. Please return blue interdepartmental envelopes to the mailroom for others to use.

All outgoing department mail must have Marian's address in the return address area. The mail does not need to be sealed. Envelopes flaps should be down. If sending multiple pieces, rubberband the pieces together with the departmental account number on top on a sticky note. There are rubberbands in the mailroom if needed.

Sending Packages from Departments

The mailroom can send out department packages, with or without tracking, that are solely intended for business use. All outgoing packages needing a label and/or tracking will need to fill out the mailroom charge form for the shipping information and department account information. Please make sure to bring the address and your account number with you to the mailroom to fill out this form.

Packages can be sent out through USPS, Fedex, or UPS. The least expensive option will be selected unless a preference or delivery time is noted.
