The 80th Annual Commencement of Marian University

SATURDAY, MAY 6, 2017  
10 a.m.  
MARIAN UNIVERSITY CAMPUS  
INDIANAPOLIS, INDIANA

---

Marian University grew out of the dedication and vision of Sister Theresa Hackelmeier and the Sisters of St. Francis, Oldenburg, Indiana, who established a school in Oldenburg, Indiana, in 1851. After a number of transformations, the school became Marian College in 1936. The college moved to Indianapolis in 1937 and classes began on September 15 in Allison Mansion.

On July 1, 2009, Marian College became Marian University. On May 4, 2011, Marian University received pre-accreditation status for a new medical school. On August 24, 2011, the university broke ground on the Michael A. Evans Center for Health Sciences that houses the Marian University College of Osteopathic Medicine and the Leighton School of Nursing. On August 6, 2013, Marian University held a ribbon-cutting ceremony and reception for the Michael A. Evans Center for Health Sciences. The College of Osteopathic Medicine matriculated its first class in August 2013 and will hold its inaugural commencement ceremony on May 7, 2017.

## Honorary Degrees

---

**Lisa E. Harris, M.D.**  
Doctor of Science

Dedicated to improving healthcare for vulnerable and underserved populations, Lisa E. Harris, M.D., has practiced medicine for 30 years at nationally recognized Eskenazi Health. Today, Harris serves as Eskenazi Health's chief executive officer, leading one of America's essential healthcare systems that also serves as a vital training ground for the Indiana University School of Medicine.

Harris is intensely focused on improving access to patient-centered, comprehensive, community-based primary and mental healthcare, health promotion, and effective chronic disease management. As past chair of America's Essential Hospitals (formerly the National Association of Public Hospitals and Health Systems), Harris has nurtured the organization's strong presence on Capitol Hill, advocating for the nation's most vulnerable populations.

An active and engaged leader in the local community, Harris serves as president of the board of directors of the American Red Cross of Indiana, as well as on the boards of directors for the Regenstrief Institute, Julian Center, Second Helpings, Managed Emergency Surge for Healthcare (MESH), and the inaugural board of directors of the Patachou Foundation, focused on providing healthful food to homeless children. She also serves on the boards of United Way of Central Indiana and the Christian Theological Seminary and served as the 2015 chair of the American Heart Association's Go Red for Women Initiative.

In 2009, Harris helped successfully lead a campaign seeking voter approval for a new Wishard Hospital campus. Prior to the 2009 special election, Harris helped build a coalition of community and business leaders and participated in more than 200 meetings to share information about the project. In 2011, the organization received a \$40 million gift from Indianapolis couple Sidney and Lois Eskenazi, in honor of whom Health & Hospital Corporation of Marion County named the new hospital facilities. The Eskenazi Health campus opened in December 2013 and is the first in Indiana to achieve Leadership in Energy and Environmental Design (LEED®) Gold certification.

Marian University is honored to award an honorary doctorate to Dr. Harris, who has continued to make generous contributions to Indiana healthcare and beyond through her engagement in patient care, research, teaching, and leadership in the community.

**William and Jane Drew**  
Doctor of Humane Letters

William and Jane Drew have an extensive background in highway construction management and logo sign program development, managing complex projects including highway signing, traffic signals, guardrails and fences, highway lighting, and pavement markers.

Mr. Drew worked for the James H. Drew Corporation, a wholly-owned subsidiary of the publicly-traded Medusa Corporation, and in 1976, was elected president. As president, he was responsible for recruiting, hiring, training, retaining, and

leading a workforce capable of performing the installation of approximately \$80 million (in current dollars) in annual contracts. Mr. Drew currently serves as managing partner of Indiana Logo Sign Group, supervising the Indiana Specific Services Sign and Tourist Oriented Directional Sign programs. Mrs. Drew was co-founder and president of Interstate Logo, Inc., from 1988 to 2010. In 1990, she co-founded the Missouri Logo Sign Company and currently serves as president.

The couple married in 1967 and raised four children together. Prior to his career in the highway construction management and sign development industries, Mr. Drew attended Marian University and received an honorable discharge from the United States Army in 1972. Mrs. Drew trained as an orthodontic assistant and operated an orthodontic lab, supervising the staff. She also led and participated in various school and parish projects.

In 1994, Mr. Drew was president of Indiana Constructors, Inc., an association of highway and sewer contractors. He received the S.I.R. (Skill, Integrity, and Responsibility) award in 1995 for his service to the industry, and the Director's Trophy in 2000 for his service to Indiana Constructors, Inc.

Marian University is honored to award honorary doctorates to this couple, who have generously employed their gifts and talents to manage the organizational demands of projects, programs, and contracts in highway construction and sign development.

**Paul J. Norman '73**  
**Doctor of Business**

Paul J. Norman '73 is chairman and chief executive officer of NU Holdings, Inc., a holding company that employs approximately 175 people in 10 offices countrywide and operates several subsidiaries, including Norman-Spencer Agency, Inc., Western Marine Insurance Services, Northern Star Management, and REO Advisors. All of these companies administer insurance programs for specific industries. Additional companies under NU Holdings, Inc. include Thorn Valley Enterprises, an insurance loss control and risk management company, and Topic Design, an advertising and marketing company.

After earning a bachelor's degree from Marian University and master's degree from Xavier University, Norman immediately joined a major insurance company as an account analyst. He entered sales in 1977 and rapidly became a leading producer for a national insurance brokerage firm.

In 1988, Norman's intense energy and entrepreneurial spirit contributed greatly to his ability to acquire his first insurance company. With 30 years of experience in owning and operating multiple platforms in the distribution of insurance products, Norman has gained a strong business acumen, which has been meaningful in the foundation of many start-up operations and successful acquisitions.

Norman currently serves on numerous executive panels of major insurance companies and regularly makes audience presentations to insurance agents and national associations on the virtues of affinity group marketing.

Marian University is honored to award an honorary doctorate to Paul, who has used his talents and expertise to lead the growth and development of an insurance company and influence the business community nationwide.
