

MARIAN UNIVERSITY®

WHO WE ARE

- We're a Catholic Franciscan university and welcome students, faculty, and staff of all faiths.
- Marian grew out of the dedication and vision of the Sisters of St. Francis, Oldenburg, who established a school in Oldenburg, Indiana, in **1851**.
- In Indianapolis, we are the Knights and compete in the NAIA Conference. In Plymouth, we are the Chargers in the NJCAA.

WE'RE ON A MISSION...

...to be a great Catholic university dedicated to achieving excellence in learning, which is achieved through teaching, research, and scholarly activities in the Franciscan and liberal arts tradition.
