MUSIC PRIVATE LESSONS

All private lesson students are required to sign up for a lesson time in the Steffen Music Center prior to the beginning of the semester. A schedule is posted on each instructor's door. 1 credit hour involves one 30 minute lesson weekly. 2 credit hours involves one 60 minute lesson weekly. All music lessons default to one credit hour. Students wishing to take a music lesson for two credit hours must register for one hour of the course online, then bring their schedule planning form to the Office of the Registrar to have it changed to two hours; for 100-level music lessons, students must first obtain the instructor's signed permission on the schedule planning form. 200-level lessons may be taken by music majors and minors only. 300-level and 400-level lessons may be taken by music majors only. (\$125 fee per credit hour)
