Welcome to Marian University, founded by the Sisters of St. Francis, Oldenburg, Indiana and moved from Oldenburg to Indianapolis in 1937. This school, dedicated to the Blessed Virgin Mary, was created to educate young women and later expanded to include men. At its core are four Franciscan sponsorship values, grounded in prayer: dignity of the individual, peace and justice, reconciliation, and responsible stewardship.

Marian University’s Catholic and Franciscan heritage is seen in the religious artwork throughout campus. You are invited to visit our sacred spaces and be inspired by what you will find on your journey.
