FIRST
GENERATION

25 percent are
first generation
college students.

BENEFITS OF THE PROGRAM:

- Enhance your medical school, Ph.D., or other professional school application.
- Receive a **guaranteed interview** to the MU-WCOM Doctor of Osteopathic Medicine (DO) program when you earn a 3.50 GPA after the first semester and a 497+ on the MCAT.
- Learn from MU-WCOM faculty through several unique topics that will strengthen and broaden your scientific knowledge.
- Faculty and staff will support you as you in pursuing your academic and professional goals.
- Benefit from networking opportunities to build relationships with MU-WCOM faculty, staff, and current DO students, adding another dimension to your medical school application.
- Gain hands-on experience in the anatomy lab with cadaver dissection.
- Capitalize on the Brem Method as an optional MCAT prep course.
- Explore different research fields while gaining valuable experience in our biomedical science labs.

84% of our BMS
graduates
matriculated
to medical school
in the most recent
admissions cycle!
