

Marian University Veterinary Nursing Student Outcomes

Cohort Years	2022-2024	2023-2025
Graduation Rate	71.80%	72.70%
Job Placement Rate	100%	94%
VTNE Takers (w/in grad + 1 year)	16	15
VTNE Pass Rate (1st attempt)	50%	46.60%

Marian University started this program through teach-out in Fall 2021. The first graduates from the program were in 2022.

Results are reported in a three year rolling cohort due to small population of test takers. This aligns with AVMA requirements of a three year rolling mean.
