

Regulations

TRAFFIC

- All persons driving on the campus are expected to obey all posted traffic and parking signs.
- The speed limit on campus is 15 mph.

VISITORS AND HANDICAPPED PARKING

- All campus visitors should obtain a free temporary guest parking pass, available at the Office of Campus Safety and Police Services, located in the Norman Center, unless already provided or given a reserved spot. Visitors may then park in any Resident or Commuter lot.
- Persons with valid handicapped plates or placards may park in any handicapped spot in their designated lot(s) or in any Resident or Commuter lot. This does not relieve students, faculty, and staff from the requirement to acquire a parking permit.

STUDENT/FACULTY/STAFF PARKING

- All students, faculty, and staff are required to obtain a parking permit for vehicles that are operated and parked on campus on a regular basis. The responsibility of finding an authorized parking space rests solely with the driver. Lack of nearby parking spaces, mechanical problems, inclement weather or other conditions are not considered valid excuses for violation of traffic and parking regulations.
- Parking is permitted ONLY where parking lines are painted or where signs are posted designating a parking area, and only in the lots corresponding to the permit issued. Please refer to the campus map for parking lot designations. There is no parking on campus roadways, grass, or unpaved areas unless specifically instructed by a police officer. No parking zones may include, but are not limited to, the following: fire lanes, loading zones, building entrances, reserved/designated spaces or lots, roadways, yellow curbs or lined areas, and handicapped or visitor spaces.
- General faculty and staff may park in Resident or Commuter lots only.
- Any students, faculty, or staff unable to find available parking in Resident or Commuter lots are authorized and encouraged to park in the 30th Street South Lot or the Indy Cycloplex lots during normal business hours. A shuttle from the Indy Cycloplex is available during these hours. Check the Marian University website for additional shuttle information.
- Due to special events on campus, there are times that vehicles may be authorized or required to park in irregular areas. Notifications of such will be sent via university email, but may include other methods of communication as well.

PARKING PERMITS

- Permits are to be hung from the rear-view mirror of the front windshield. If this is not possible, affix the permit where it is clearly visible in the windshield.

- Motorcycles are not required to display the permit if it would leave the permit vulnerable to theft, but must be available upon request of a campus officer.
- The 2022-23 parking permit is valid from August 15, 2022 through August 15, 2023.
- The cost of parking permits is \$220 per vehicle or motorcycle per academic year for resident and commuter students. After October 17, 2022 (fall break), parking permits are available for \$110. Parking permits for summer only are \$55. Permits returned to Office of Campus Safety and Police Services between the fall and spring semesters will be issued a refund for half the charged cost.
- Certain Marian programs may have alternate pricing for parking permits. Consult with your program's department staff for pricing inquiries.

VIOLATIONS

Violations of these traffic and parking privileges may result in the following fines and/or actions:

1. Fines: \$50 per violation/ticket
2. An immobilization device or "boot" may be attached to the vehicle. Contacting the Office of Campus Safety and Police Services is required to have the device removed.
3. Towing of the vehicle at the owner's expense: Total cost will be the cost of towing to the university, plus a campus ticket.
 - a. At no time will Marian University or the towing company be responsible for damage that may occur to the vehicle during towing or while the vehicle is impounded by the university. The owner or operator accepts all liability and responsibility.
 - b. Any damage to university property done by an improperly parked and/or towed vehicle will be paid for by the owner of the vehicle.

APPEALS

- Individuals may appeal a ticket at the Office of Campus Safety and Police Services within seven days of the ticket issue date.
- Fines for students will be charged to student accounts and will be billed along with regular tuition and fees. Official transcripts will not be released by the university and students may be ineligible to sign up for further classes until all accounts are paid.
- Fines for faculty/staff must be paid within 30 days of the ticket issue date. The Office of Human Resources will be notified of unpaid tickets, and may result in disciplinary action.
- Parking violations must be paid to the university Business Office, located in Marian Hall, Room 103.

Please note: There are changes to the rules, regulations, and parking lot designations. Please familiarize yourself with those changes.
