The 82nd Annual Commencement of Marian University

SATURDAY, MAY 4, 2019

10 A.M.

ARENA AND CONVOCATION CENTER

MARIAN UNIVERSITY CAMPUS

INDIANAPOLIS, INDIANA

---

Marian University grew out of the dedication and vision of Sister Theresa Hackelmeier and the Sisters of St. Francis, Oldenburg, Indiana, who established a school in Oldenburg, Indiana, in 1851. After a number of transformations, the school became Marian College in 1936. The college moved to Indianapolis in 1937 and classes began on September 15 in Allison Mansion.

On July 1, 2009, Marian College became Marian University. On May 4, 2011, Marian University received pre-accreditation status for a new medical school. On August 24, 2011, the university broke ground on the Michael A. Evans Center for Health Sciences that houses the Marian University College of Osteopathic Medicine and the Leighton School of Nursing.

On August 6, 2013, Marian University held a ribbon-cutting ceremony and reception for the Michael A. Evans Center for Health Sciences. The College of Osteopathic Medicine matriculated its first class in August 2013 and held its inaugural commencement ceremony on May 7, 2017.

### **James P. Hallett** **Recipient of Doctor of Business**

James P. Hallett has more than 40 years of experience in the automotive industry. He serves as chairman and chief executive officer of KAR Auction Services, Inc., a global Fortune 700 company that helps the world's largest auto manufacturers, financial institutions, insurance companies, and dealer groups buy, sell, and trade used vehicles.

Hallett joined the company in 1993 as president of ADESA Canada and relocated to Indianapolis in 1996 to serve as president and chief executive officer of ADESA. He was the architect behind the merger of ADESA and Insurance Auto Auctions that resulted in the creation of KAR Auction Services, Inc., in 2007. He assumed his current role in 2009.

Under Hallett's leadership, KAR Auction Services, Inc. has seen unprecedented expansion and growth. KAR now operates in 300 locations across North American and Europe and sells nearly six million cars in more than 120 countries each year.

He has been recognized with numerous industry and community awards throughout his career including the 2014 Ernst and Young Entrepreneur of the Year award recognizing achievement, leadership, and advancement of the entrepreneurial spirit. Most recently, he received Marian University's John A. Purdie Innovator and Mentor of the Year award, the 2018 Indiana Chamber of Commerce Dynamic Leader of the Year award, the 2018 Ed Bobit Industry Icon award from National Auto Auction Association, and the 2017 Exceptional Executive award from United Way of Central Indiana.

A lifelong hockey fan, Hallett shares his enjoyment of the sport with our community as owner of the Indy Fuel.

Marian University is pleased to award an honorary doctorate to James Hallett for his impact and contributions to the Indianapolis business community.

**Tomas Morales**  
**Recipient of Doctor of Business**

Following 23 years of success working with landmark companies including Procter & Gamble Company, Union Carbide Corporation, and Donaldson Company, Inc., Tomas (Tom) Morales decided to explore his dream of launching a business that would blend his pride in his Mexican heritage with his Hoosier roots. With a goal to build a bridge between the Indianapolis business community and the growing Hispanic population, Morales co-founded Morales Group, Inc., in 2003, a staffing agency that has successfully placed more than 50,000 associates throughout the Midwest.

In addition to his leadership role at Morales Group, Inc., Morales currently serves on the boards of Elevate Indy, Youth with a Mission, and the Indiana University Simon Cancer Center Development Board. He has also served on the boards of the Immigrant Welcome Center, the Boy Scouts of America, and the Franciscan Health Foundation. Morales was also a commissioner of the Metropolitan Development Commission and was appointed by former Governor Mitch Daniels as a commissioner of the State Student Assistance Commission of Indiana. In addition, he lectures all over the country on immigration issues and is a passionate advocate for the Hispanic community.

In his private life, Morales is dedicated to God, family, and to creating and preserving a sense of community. After earning a degree in civil engineering from Purdue University, Morales married his high school sweetheart, Chris. They have been married for 43 years and are the proud parents of five children.

Marian University is pleased to award an honorary doctorate to Tomas Morales for his leadership in business and support of the Hispanic community in Indianapolis.

**Charles Edward Welch III '68 and Mary Leahy Welch '68**  
**Recipients of Doctor of Philanthropy**

Charles Edward Welch III graduated from Marian University in 1968. He served on active duty in the United States Navy from 1969-73. Chuck spent 38 years working at General Electric in human resources. He was manager of corporate employee communication and a company negotiator in seven successful national contract negotiations with General Electric's largest labor unions.

Mary Leahy Welch is also a 1968 graduate of Marian University and had a long career at General Electric. For 20 years, she held roles in corporate marketing as a conference programs manager.

## Honorary Degrees

---

She oversaw corporate meetings and planned and managed sales meetings and high-level customer events in the United States, Mexico, Europe, Asia, Australia, and South Africa. Mary was a member of Marian's Board of Trustees for 10 years and is currently a trustee emerita.

Residents of Easton, Connecticut, they attend Notre Dame of Easton Church where they serve as lectors. They are active golf members of Brooklawn Country Club in Fairfield, Connecticut. Between them, they have had six holes-in-one.

In 1989, Chuck and Mary joined with close friends and classmates Len and Sue Strom to establish the Welch-Strom Endowed Scholarship. The scholarship fund has grown to over \$1 million and has paid over \$500,000 in awards to 43 Marian students since 2000.

Marian University is pleased to award an honorary doctorate to this couple for their selflessness in service to the university- and community-at-large.

### **Len '68 and Sue '68 Strom** **Recipients of Doctor of Philanthropy**

After graduating from Marian University in 1968, Len Strom began his business career with General Electric, serving 15 years with the company. After, Len joined BLACK+DECKER as chief human resources officer for 20 years. In 2005, he went to work for the Archdiocese of Baltimore as the executive director of human resources until his retirement in 2011. His work with the Archdiocese of Baltimore still includes an ongoing role as a 20-year member of the archbishop's Board of Financial Administration. He also is a member of the Marian University Board of Trustees.

Sue Strom graduated from Marian University in 1968 as well. After graduating, Sue held a 25-year career in education, teaching high school English and French. She also worked in positions as a learning specialist and head of learning services. Sue is currently a founding member of the Women's Education Alliance and serves on the organization's Board of Trustees.

Len and Sue met the first week of school at Marian University in a biology class. They celebrated their 50th wedding anniversary last August. For both Len and Sue, raising a family is their greatest achievement. They have four children and 10 grandchildren. The Stroms are co-sponsors with Chuck and Mary Welch of the Welch-Strom Endowed Scholarship.

Marian University is privileged to award honorary doctorates to this couple for their dedication and service to the community and beyond.
