

MARIAN UNIVERSITY 2022 ANNUAL SECURITY AND FIRE SAFETY REPORT

Prepared by the Marian University Police Department and
Division of Student Success and Engagement

THE JEANNE CLERY DISCLOSURE OF CAMPUS SECURITY POLICY AND CAMPUS CRIME STATISTICS ACT LEGAL REQUIREMENTS FOR THE ANNUAL SECURITY REPORT

The Clery Act requires universities and colleges to disclose campus crime statistics and security information. This act requires higher education institutions to give timely warnings of crimes that represent a threat to the safety of students or employees and to make public their campus security policies. It also requires that crime data is collected, reported, and disseminated to the campus community and the Department of Education. The act is intended to provide students and their families, as higher education consumers, with accurate, complete, and timely information about safety on campus so that they can make informed decisions. The Marian University Police Department and the Division of Student Success and Engagement are responsible for preparing this institutional report.

The Clery Act requires Marian University to:

- Publish and distribute an annual security report containing three years of campus crime statistics and certain campus security policy statements;
- Keep a daily crime log and provide public access to the crime log during normal business hours;
- Provide the Marian University community with information necessary to make informed decisions about their safety by providing “emergency and timely warnings” of any crime that might represent an ongoing threat to the safety of students, employees, or visitors;
- Inform the campus community where to obtain information about registered sex offenders;
- Collect and report information regarding incidents of dating violence, domestic violence, sexual assault, and stalking that occur in the institution’s Clery Geography and are reported to a Campus Security Authority or to local law enforcement agencies;
- Disclose statistics of such incidents in their Annual Security Reports (ASRs) and the Campus Safety and Security Survey and to maintain credible documentation that substantiates the institution’s crime statistics;
- Have policies and procedures for victims or witnesses to report crimes on a voluntary, confidential basis for inclusion in the institution’s crime statistics;
- Clarify the very limited circumstances in which an institution may remove reports of crimes that have been “unfounded” by law enforcement officials and require institutions to report to the Department and disclose in the ASR the number of crimes that were

“unfounded” and subsequently withheld from their crime statistics;

- Provide information on culturally relevant, inclusive prevention awareness programs to incoming students and new employees, as well as describe these programs in their ASRs. These programs must include: a statement that the institution prohibits the crimes of dating violence, domestic violence, sexual assault, and stalking; the definitions of these terms in the applicable jurisdiction; the definition of “consent,” in reference to sexual activity, in the applicable jurisdiction; a description of safe and positive options for bystander intervention; information on risk reduction; and information on the institution's policies and procedures after a sex offense occurs;
- Provide, and describe in their ASRs, ongoing prevention and awareness campaigns for students and employees. These campaigns must include the same information as the institution's primary prevention and awareness programs;
- Define the terms “awareness programs,” “bystander intervention,” “ongoing prevention and awareness campaigns,” “primary prevention programs,” and “risk reduction”;
- Describe each type of disciplinary proceeding used by the institution in cases of alleged dating violence, domestic violence, sexual assault, or stalking; the steps, anticipated timelines, and decision-making process for each type of disciplinary proceeding; how to file a disciplinary complaint; how the institution determines which type of proceeding to use based on the circumstances of an allegation of dating violence, domestic violence, sexual assault, or stalking; and the standard of evidence that will be used during the disciplinary proceeding;
- List all of the possible sanctions that the institution may impose following the results of any institutional disciplinary proceedings for an allegation of dating violence, domestic violence, sexual assault, or stalking;
- Describe the range of protective measures that the institution may offer following an allegation of dating violence, domestic violence, sexual assault, or stalking;
- Provide students or employees who report being victims of dating violence, domestic violence, sexual assault or stalking with a written explanation of their rights and options, regardless of whether the offense occurred on campus, including written notification of counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and other services available for victims both within the institution and in the community, and the availability of changes to academic, living, transportation, and working situations, or protective measures regardless of whether the victim reports to law enforcement;
- Provide a prompt, fair, and impartial disciplinary proceeding in cases of alleged dating violence, domestic violence, sexual assault, or stalking in which: (1) officials are appropriately trained and do not have a conflict of interest or bias for or against the complainant or the respondent; (2) the complainant and the respondent have equal opportunities to have others present, including an advisor of their choice; (3) the complainant and the respondent receive simultaneous notification, in writing, of the result of the proceeding and any available appeal procedures; (4) the proceeding is completed in a reasonably prompt time frame; (5) the complainant and respondent are

given timely notice of meetings at which one or the other or both may be present; and (6) the complainant, the respondent, and appropriate officials are given timely and equal access to information that will be used during informal and formal disciplinary meetings and hearings.

Law Enforcement Authority and Jurisdiction

Members of the Marian University Police Department support the rules and regulations of Marian University including the Code of Student Rights and Responsibilities, the Indiana State Code, and the constitution of the United States of America. Marian University Police Department officers are required to attend the Indiana Law Enforcement Academy and have jurisdiction throughout the state of Indiana. MUPD is created and authorized under IC 21-17-5-5. Marian University Police Department has a memorandum of understanding with the Indianapolis Metropolitan Police Department and the Marion County Sheriff's Department.

MUPD's area of jurisdiction shall include the Lake Sullivan area, the Major Taylor Velodrome and all public property, including thoroughfares, streets, sidewalks, and parking facilities, that are within the campus, or immediately adjacent to and accessible from the campus. Other agencies that have jurisdictional authority within the boundaries of Marian University include, but may not be limited to, the following: Indianapolis Metropolitan Police Department, Marion County Sheriff's Department, Indiana State Police, Indiana State Excise Police, Indiana Department of Natural Resources (Law Enforcement Division); and federal agencies that have enforcement powers by virtue of the United States Code.

Daily Crime Log

The Marian University Police Department maintains a daily crime log that lists, by date reported, all crimes reported to campus police. The log is updated daily as crimes are reported. The crime log is made available for public inspection during normal business hours. To review the Daily Crime Log, contact the Marian University Police Department at 317.955.6789.

Emergency Notification and Timely Warning Notices

Marian University will immediately notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on campus. In the event of a suspected significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees, the Marian University Police Department Chief of Police or his designated representative will confirm that there is a significant emergency or dangerous situation and determine the appropriate segment or segments of the campus community to receive a notification. In addition, the Marian University Police Department Chief of Police or his designated representative will determine the content of the notification and initiate the notification system. Marian University will, without delay and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency. Emergency notifications, timely warning notices, and follow-up information will be made available via: Marian University e-mail, Marian University's campus safety app—Campus Shield,

Marian University residence life staff, and/or Marian University building coordinators. Marian University may not issue a timely warning based on the same circumstances; however, Marian University will provide adequate follow-up information to the community as needed. Marian University tests the emergency notification and evacuation procedure at least once per calendar year. This test may be announced or unannounced and publishes Marian University's emergency response and evacuation procedures during the test.

Alcohol. Use, possession, or distribution of alcoholic beverages or paraphernalia except as expressly permitted by law and university policy. (See appendix A)

Appendix A-Alcohol

When students choose to consume alcoholic beverages, Marian University encourages responsible practices and behavior in accordance with campus policies, and the laws of the State of Indiana and the City of Indianapolis. On- and off-campus violations of university policy and local and state laws related to alcohol will result in disciplinary action.

3. Consumption and possession of alcohol may be permitted in some residence halls (Drew Hall and University Hall) where residents and their guests are of legal age to possess or consume alcoholic beverages. Student health and well-being is of primary concern to the university. Please see the Lifeline-Good Neighbor Policy in Appendix C regarding emergency assistance and support.

The university encourages students who are experiencing substance abuse problems to seek

assistance from resources available to them on campus, as well as from agencies and self-help groups available in the community. A list of these resources is available from the Office of Health and Wellness and Counseling and Consultation Services located in Clare Hall.

University Drug Policy, Section 4 Expectations and Rules, *Student Code of Rights and Responsibilities*

Drugs. Use, possession, or distribution of illegal drugs and other controlled substances or drug paraphernalia except as expressly permitted by the university's drug policy; (see appendix B).

Appendix B-Drugs

The illegal or abusive use of alcohol and other drugs by members of the campus community jeopardizes the safety of the individual and the community and is contrary to the academic learning process. Marian University is committed to having a campus that is free of the illegal or abusive use of alcohol and other drugs. In keeping with this commitment, it is the policy of the university that the illegal or abusive use of alcohol and other drugs is prohibited at all times. In order to inform all university students of their responsibilities as set forth in the Drug-Free Schools and Communities Act Amendments of 1989, the following information is provided:

1. The use, abuse, possession, sale, distribution, manufacture, or transfer of narcotics, illegal drugs as defined by state or federal law, or any controlled substance is prohibited at all times. Controlled substances include, but are not limited to, marijuana, hash oil, hashish, inhalants, and abuse of over-the-counter drugs and prescription drugs, and/or the use of over-the-counter drugs or prescription drugs, or any other immediate precursor to be used to manufacture any other illegal drug, including without limitation, methamphetamine.
2. Possession or manufacture of drug paraphernalia which is to be used for any one of the following purposes: (a) to introduce into a person's body a drug, marijuana, or any controlled substance, (b) to test the strength, effectiveness or purity of a drug, marijuana, or any controlled substance, or (c) enhances, or is perceived to enhance, the physiological effect of a drug, marijuana, or any controlled substance, is also a violation of this policy.

Conduct sanctions the university may employ for violations of the university drug and alcohol policies include dismissal, suspension, probation, restitution, suspension from university housing, forfeiture of financial assistance, or such other sanctions as deemed appropriate by the university. Students may be accountable to both civil authorities and the university for acts that constitute violations of law and university policy. Student conduct action at the university will normally proceed during pending criminal proceedings and will not be subject to challenge on the ground that criminal charges involving the same incident have been dismissed or reduced.

Students need to be aware that any student convicted of a state or federal drug violation that occurred while enrolled and while receiving federal financial aid may be declared ineligible for future federal student aid for up to one year. Individuals convicted of both possession and selling may face a longer period of ineligibility. Students should contact the Office of Financial Aid to understand the full policy.

The university will notify parent(s)/legal guardians(s) of drug violations. The university encourages students who are experiencing substance abuse problems to seek assistance from resources available to them on campus, as well as from agencies and self-help groups available in the community. A list of these resources is available from the Student Health Center or

Counseling and Consultation Services located in Clare Hall.

Written Requests-Victim of a Crime of Violence

Marian University will, upon written request, disclose to the alleged victim of a crime of violence (as that term is defined in Section 16 of Title 18, United States Code), or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by such institution against a student who is the respondent of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph

Missing Student Notification Policy

Students, employees, or other individuals should report when a student has been missing for 24 hours to Marian University Police Department. Each student has the option to identify a contact person or persons whom Marian University shall notify within 24 hours of the determination that the student is missing. This information can be registered in the Marian University Police Department office. Contact information is registered confidentially and is accessible only to authorized campus officials and law enforcement personnel in furtherance of a missing person investigation. In the event students are under 18 years of age and not emancipated, or the student has not identified a contact person, Marian University will notify a parent or guardian within 24 hours of the determination that the student is missing.

Information regarding registered Indiana sex offenders can be accessed at:
<http://www.icrimewatch.net/indiana.php>.

Procedures for Reporting Criminal Incidents and Other Emergencies

All students, faculty, staff, employees, and guests should promptly report all criminal and medical incidents, accidents, fires, and other emergencies to Marian University Police Department at 317.955.6789 or using the Campus Shield app.

Anonymously Report Crimes

Marian University has a form to allow victims or witnesses to anonymously report crimes on a voluntary confidential basis for inclusion in Marian University's crime statistics. The form may be accessed from the bottom of any page of the Marian University website, see *Non-Discrimination/Title IX*. These are sent to a private e-mail reviewed by the Title IX Coordinator and Deputy Title IX Coordinator. Victims or witnesses may also anonymously report crimes on the "Submit a Tip" page of the Campus Shield app.

Access to Campus Facilities and Residence Halls

Most campus facilities are open during business hours. Some areas have restricted access. Employees who need regular access to these areas should contact the human resources office. Faculty and staff who need to provide student access to restricted areas must make prior arrangements with the Marian University Police Department. Visitors and guests needing access to campus facilities should contact Conferences and Events. In order to provide for student safety and protection, access to residence halls is very restricted. Certain doors are

locked at all times. Students needing access should contact the appropriate residence hall staff. Maintenance personnel are provided limited access on an as needed basis.

Description of Programs Designed to Inform Students and Employees about the Prevention of Crimes

All new students attend an Orientation session (January, May, June, July, August-multiple dates), where the Chief of Campus Safety and Police Services covers:

- Crime prevention tips (travel in groups, lock your doors, report suspicious activity)
- Escort services on campus
- Blue light phones
- Reporting suspicious activity-students are asked to put campus safety dispatch number in their phone: 317.955.6789 and download the Campus Shield app
- Being aware of your surroundings
- Do not leave belongings unattended
- Do not prop doors

All new employees receive this information through Human Resources and departments.

Unfounded Crimes

There are very limited circumstances in which Marian University may remove reports of crimes that have been deemed “unfounded” by sworn law enforcement officials. Such determinations will be made only after a full investigation has occurred and only in circumstances where the crime report is found to be false or baseless. Marian University reports to the Department and discloses in the Annual Security Report the number of crimes that were “unfounded”, if any, and subsequently withheld from their crime statistics.

Risk Reduction Recommendations

The university recommends that students reduce the risk of sexual assault by clear communication, communicating personal boundaries, using the buddy system, drinking responsibly or not at all, and being aware of one’s surroundings and the potential risks of leaving beverages unattended.

Reporting Options in the Event of Sexual Assault:

1. Immediately contact campus police or local law enforcement and accept medical attention; report the attack and its location (Campus Police: 317.955.6789); give a description of the assailant’s height, age, speech, hair, clothes, facial features, scars, direction of escape, etc.
2. Contact the Title IX Coordinator (after hours call 317.924.2750).
3. Contact Health Services, Counseling and Consultation Services, or Chaplain for confidential support, if needed or desired.
4. Report using the online forms located on the Marian University website at www.marian.edu/title-ix.

Students may choose to utilize any or all options.

Preserving Evidence for Criminal and/or Campus Conduct Procedures

Preserve all physical evidence carefully. Do not bathe, douche, or change clothing. Try not to touch any objects that were handled by the attacker. During the medical examination, be sure to show the medical professional all cuts, bruises, scratches, or injuries. Medical treatment for the prevention of disease may be appropriate. Hospital personnel will also collect evidence for the police investigation.

Ongoing Primary Prevention and Awareness Campaigns to Prevent Dating Violence, Domestic Violence, Stalking, and Sexual Assault

Awareness programs specifically focus on awareness of sexual harassment and sexual assault; defining sexual harassment and assault; national statistics related to sexual assault; means of preventing, responding to, and reporting stalking, dating violence, domestic violence and any form of sexual harassment, including sexual assault.

Primary prevention programs are as follows:

1. Orientation programs designed for new students and employees to introduce them to university policies regarding Title IX, sexual harassment, sexual assault, and discrimination as well as a discussion of what constitutes sexual harassment and sexual assault. These orientation programs include information about policy, reporting, and how to report in person to the Title IX Coordinator or online. Victims and witnesses, who are impaired or are under-age drinkers, will not be penalized for reporting sexual misconduct.
2. Intentional, consistent, and scheduled programs and materials are provided to the university community. These involve varied creative messages and methods (fliers; door hangers; speakers; vignettes; articles; statistics; floor programs; campus wide programs; athletic team programs; club and organization programs). Most restroom stalls on campus exhibit a poster outlining steps to Prevent, Report, and Respond. Articles are provided to students and families in separate monthly campus newsletters. Awareness programs are scheduled throughout the year.
3. The university provides student programs, such as, **“Dating and Relating in a Title IX World,”** to address crimes of dating violence, domestic violence, sexual assault, and stalking; the definition of consent, relative to sexual behavior (clear “yes” NOT the absence of “no”); must be sober to provide consent; safe and positive options for bystander intervention; information on risk reduction; and information on the university’s policies and procedures after a sex offense occurs. Students also discuss policies and preventive measures at floor meetings in each residential area. This information and responsibilities of employees as *mandatory reporters* is provided to new employees at orientation.

Rachael’s First Week, a program designed to alert students to the challenges of beginning college and the importance of seeking assistance, as well as preventive safety measures, in the event of injury, harassment, alcohol and drug concerns.

4. Monthly education programs are provided as well as monthly articles in the faculty/staff newsletter, “In a Glance” and the student newsletter, “Student Health 101”
5. The Title IX Coordinator or Deputy Title IX Coordinator meets with department/schools, student organizations, faculty assembly, and athletic teams to review policies and procedures relative to sexual harassment, sexual violence, and mandatory reporting,

including questions and clarification.

Disciplinary Proceeding Used in Cases of Alleged Dating Violence, Domestic Violence, Sexual Assault, or Stalking

In cases of alleged dating violence, domestic violence, sexual assault, or stalking, a Title IX investigation will proceed. Investigations will typically be completed within 60 days; interim measures may be enacted, as needed, for the safety of the community. An investigator, note taker, and advocate(s) for complainant and respondent will be assigned upon receiving a report of alleged misconduct. The investigator will report findings and recommend referral to the conduct or human resources processes as indicated. In conduct hearings, the standard of evidence will be the preponderance of evidence (“is it more likely than not”). Marian University will follow the steps outlined in the university’s formal conduct procedures. These are accessible online via the Marian University website [at www.marian.edu/studentrights](http://www.marian.edu/studentrights). These procedures include special hearing provisions for sexual misconduct, discrimination, and other complaints of a sensitive nature.

How to File a Title IX Complaint – *Code of Student Rights and Responsibilities*, Section Five: Title IX Policy

F. Reporting Allegations of Sexual Harassment.

1. Any person may report sexual harassment. By way of example, this includes:
 - a. Students
 - b. Employees
 - c. Parents
 - d. Any university community member or other individual who is directly involved in, observes, or reasonable believes that sexual harassment may have occurred.
 2. Reports can be made to the Title IX coordinator in the following ways:
 - a. In person: Clare Hall, Room 122
 - b. Mail: Karen Candlish, 3200 Cold Spring Road, Indianapolis, Indiana 46222

 - c. Phone: (317) 955-6611
 - d. Email: cwhitson@marian.edu
3. Making a report to the university and to law enforcement are mutually exclusive events. Making a report to the university does not preclude the individual from filing a report of a crime with law enforcement nor does it extend time limits that may apply in criminal processes. Filing a report with law enforcement is not a prerequisite of making a report with the university. However, individuals may request assistance from the Title IX coordinator or designee to notify law enforcement.

The following student sanctions may be imposed following the results of any institutional disciplinary proceedings for an allegation of dating violence, domestic violence, sexual assault, or stalking:

- Warning
- Restitution
- Fines
- Community/University Service Requirements
- Loss of Privileges
- Confiscation of Prohibited Property
- Behavioral Requirement
- Educational Program
- Restriction of Visitation Privileges
- University Housing Probation
- University Housing Reassignment

Protective measures following an allegation of dating violence, domestic violence, sexual assault, or stalking include (from *Code of Student Rights and Responsibilities, Section Five: Title IX policy*):

4. Interim Supportive Measures

Supportive measures will be made available to both the complainant and respondent whether or not a formal complaint is filed to ensure equal access to the university's education and employment programs and activities. The Title IX coordinator or designee will conduct an individualized assessment and will review requests from complainant and respondent to determine supportive measures that are appropriate and reasonably available at no cost to the complainant or respondent. Supportive measures may include, but are not limited to:

- (i) No contact directives;
- (ii) Referral to campus and community resources for victim advocacy, counseling, health services, legal assistance, immigration assistance, disability services;
- (iii) Academic support including extensions of time and other course-related adjustments;
- (iv) Modification of work or class schedules;
- (v) Change in work or housing locations;
- (vi) Change in reporting relationship;
- (vii) Consideration of leave requests; and
- (viii) Assistance with academic petitions.

During the period of any investigation a respondent can be put on administrative leave if they are an employee of the university. If the respondent is a student of the university, they may be removed from educational activities following an individualized safety and risk analysis determining that the respondent poses an imminent threat to the physical health or safety of

anyone due to the allegations made. If a student is removed from educational activities in this way, they have the right to challenge the determination of the safety and risk analysis.

The Title IX coordinator or designee will coordinate the provision of interim supportive measures. Parties will not be required to arrange such measures by themselves but may need to participate in communication with supervisors, faculty, and other university employees with a need to know.

The university will maintain as confidential any supportive measures provided to the complainant or respondent to the extent that maintaining such confidentiality would not impair the ability of the university to provide the supportive measures.

Written Explanation of Rights and Options

Students or employees who report being victims of dating violence, domestic violence, sexual assault, or stalking are provided with a written explanation of their rights and options, regardless of whether the offense occurred on campus, including written notification of counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and other services available for victims both within the institution and in the community, and the availability of changes to academic, living, transportation, and working situations, or protective measures regardless of whether the victim reports to law enforcement.

Counseling and Consultation Services Policy Supporting Recent Victims of Sexual Assault, Harassment, or Violence

1. Explain that clinician is legally obligated to protect the confidentiality of their communication with clients
2. Inform student of their right to file a Title IX complaint with the university. Inform student where form is located on university website. Explain option of anonymous reporting (no action/response wanted), allowing information to be included in the annual disclosure of crime statistics. Explain option of reporting with expectation of action/follow-up from university. Explain who receives reporting forms.
3. Inform student that clinician is available to assist student in filing complaint if requested.
4. If appropriate, explain to student that Title IX includes protections against retaliation, and the university officials will take steps to prevent retaliation as well as take responsive action if retaliation occurs.
5. Inform student of right to file a separate complaint with campus or local law enforcement.
6. Inform student of on-campus resources for counseling and medical support. Offer to communicate with faculty on the student's behalf, if needed. If appropriate, inform student of other on-campus academic support.
7. Discuss options for medical care off campus.
8. Discuss options for collection of evidence if appropriate – provide information regarding local Centers for Hope.

Confidentiality

Marian University will maintain as confidential any accommodations or protective measures provided to the victim, to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or protective measures.

Prompt, Fair, and Impartial Disciplinary Proceeding

Marian University provides for a prompt, fair, and impartial disciplinary proceeding (term used to describe a conduct hearing or human resources procedure for employees) in cases of alleged dating violence, domestic violence, sexual assault, or stalking. The complainant and the respondent have equal opportunities to have others present, including an advisor of their choice. The complainant and the respondent receive simultaneous notification, in writing, of the result of the proceeding and any available appeal procedures. Marian University ensures there is not a conflict of interest or bias for or against the complainant or the respondent. The proceeding is completed in a reasonably prompt time frame. The complainant and respondent are given timely notice of meetings at which one or the other or both may be present; and the complainant, the respondent, and appropriate officials are given timely and equal access to information that will be used during informal and formal disciplinary meetings and hearings. The result of a hearing/procedure is the decision whether it is “more likely than not” that a violation occurred and sanctions applied, if appropriate. The complainant and the respondent are both notified in writing the results of the proceeding. Compliance with these provisions does not constitute a violation of section 444 of the General Education Provisions Act (20 U.S.C. 1232g), commonly known as the Family Educational Rights and Privacy Act of 1974 (FERPA).

Crime Statistics

Crime statistics under the Clery Act are categorized by type and location. The following rules and definitions for the geographical and crime categories are taken from *The Handbook for Campus Safety and Security Reporting* published by the U.S. Department of Education:

Definitions of Clery Geography

On-Campus: *Any building or property owned or controlled by an institution within the same reasonably contiguous geographic area and used by the institution in direct support of, or in a manner related to, the institution’s educational purposes, including residence halls; and any building or property that is within or reasonably contiguous to paragraph (1) of this definition, that is owned by the institution but controlled by another person, is frequently used by students, and supports institutional purposes.*

Bystander Intervention

A bystander is a witness to or participant in an act of potential harm or misconduct who acts to stop, intervene, or protect in the situation. Members of the Marian University community are encouraged to find ways to successfully intervene to support and help each other.

To encourage students to offer help and assistance to others, Marian University pursues a policy of amnesty for minor violations when students offer help to others in need

Appropriate ways for bystanders to address situations may include:

- a. Intervening or confronting the violation in an effort to stop it;
- b. Contacting the appropriate staff members to address the violation; or
- c. Leaving the area where the violation was occurring. Where a risk of serious harm exists, merely leaving will not be appropriate.

Dating Violence, Domestic Violence, Sexual Assault, Stalking, and Consent, Code of Student Rights and Responsibilities- appendix E

Intimate Partner Violence is defined as the use of physical violence, coercion, threats, intimidation, isolation, stalking, or other forms of emotional, sexual, or economic abuse directed towards a partner who is or has been in a dating relationship of a romantic or intimate nature.

Stalking is a course of conduct directed at a specific person that is unwelcome and would cause a reasonable person to fear for his or her safety or the safety of others or suffer substantial emotional distress.

Sexual Misconduct includes but is not limited to sexual harassment, non-consensual sexual contact, non-consensual sexual intercourse, or sexual exploitation (see notice of nondiscrimination).

Consent is knowing, voluntary, and clear. Consent is effective when it is an informed, freely, and actively given mutual agreement, communicated by clearly understandable words, to participate in each form of sexual activity. Consent cannot be inferred from silence, passivity, or lack of active resistance. A current or previous dating or sexual relationship is not sufficient to constitute consent, and consent to one form of sexual activity does not imply consent to other forms of sexual activity. By definition, there is no consent when there is a threat of force or violence or any other form of coercion or intimidation, physical, or psychological. A person who is the object of sexual aggression is not required to physically or otherwise resist the aggressor; the lack of informed, freely given consent to sexual contact constitutes sexual misconduct.
