Marian University is a tobacco-free campus. This includes all tobacco products, as well as all forms of smoking, including e-cigarettes.

Marian University is a distinguished Catholic university that prepares students for leadership roles in their chosen professions. Small enough to give students the individual attention and faculty mentoring they deserve—and connected enough to provide them with outstanding internship and hands-on learning opportunities—we offer dozens of undergraduate and graduate degree programs ranging from mathematics to music to medicine. At Marian University, students of all faiths benefit from a curriculum grounded by four key Franciscan values: dignity of the individual, peace and justice, reconciliation, and responsible stewardship. We're located 10 minutes from the heart of downtown Indianapolis, one of the most vibrant, fastest-growing cities in the nation for high-tech job growth. Indianapolis is home to hundreds of major employers in business sectors including biosciences, pharmaceuticals, logistics and distribution, and advanced manufacturing, so it's no surprise that Indianapolis was ranked eighth nationally by *TIME* magazine as one of the top 10 cities in which to start a new career.

Visit our historic, wooded campus and see for yourself what we have to offer. Learn more at marian.edu or call 800.772.7264.
