Areas for Improvement
- Schedule events so they occur when faculty can get the most opportunity to use what is taught
- Increase number of online resources as there is a lack of time to participate in the actual events
- Provide opportunities to engage with and learn from other faculty
- Coordinate services with IT to eliminate adoption barriers caused by technology
- Revisit what is working and what can be improved with the course evaluation system
- Increase resources for using Canvas and developing presentations / videos

Evaluation of CTL Staff Performance
Faculty were asked to evaluate the performance of the CTL staff they worked with on five areas. Below is the percentage of faculty who strongly agreed or agreed that overall they were satisfied with the support they received.

- Tom Harrington: 97%
- Mona Kheiry: 98%
- Liz Osika: 97%
