The Marian University College of Osteopathic Medicine (MU-COM) has announced a program that will give Benedictine University master’s students opportunities for early acceptance into, or a guaranteed interview with, MU-COM.

“Marian University’s vision is to provide an education distinguished in its ability to prepare transformative leaders for service to the world. This program aims to attract a diverse group of students who have displayed academic excellence and a commitment to osteopathic medicine by offering multiple pathways toward admission to the Marian University College of Osteopathic Medicine.”

Amanda Wright, DO
Dean, Marian University College of Osteopathic Medicine
