

Get Your Green On!

Native Plant Sale at the Nina Mason Pulliam EcoLab

Sunday, May 5, 2019 - Noon to 5 p.m.

MARIAN UNIVERSITY
Indianapolis
Nina Mason Pulliam EcoLab

Online sales and early pickup throughout April

Visit Marian.edu/ecolab to Pre-Order and for MUCH MORE INFORMATION

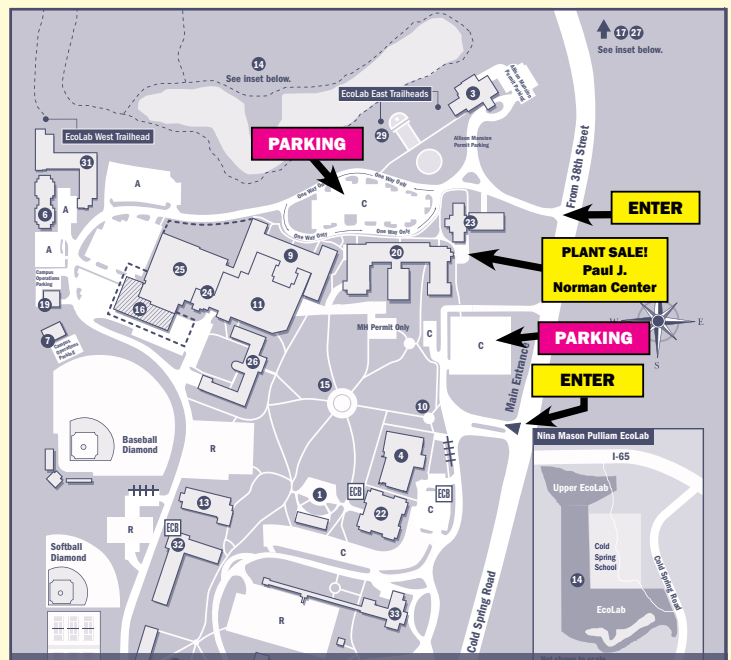

Common Mountain Mint

Bee Balm

All proceeds generated will help to support our K-12 environmental education programs and restoration efforts in the Nina Mason Pulliam EcoLab.

- Take a “walk through the woods” and enjoy a guided EcoLab tour
- We have nearly 30 native species available for sale!
- Experts will be on-site to help you and will provide resources on making your yard more wildlife friendly.

The Native Plant sale will be on the grounds of Marian University next to the new Byrum School of Business and Marian Hall. If rain is in the forecast, we will move into the front of Marian Hall.
