**ATTENDANCE AND CROSS-REGISTRATION**

- See information and policies as printed in the Course Catalog. Information for those interested in the cross-registration program (the Consortium for Urban Education – CUE) is available by request in the Office of the Registrar. All cross-registration forms for fall 2018 classes must be submitted to the Office of the Registrar by August 1, 2018.

**CONVOCATIONS**

All changes to or from audit status must be recorded on a Course Scheduling form (drop/add) and submitted to the Office of the Registrar by August 24.

**COURSE LEVELS**

- Courses numbered below 100 level (ENG 099, COL 099, MAT 090, MAT 095) are graded developmental courses designed to bring students up to the college level in these subjects. A combined maximum of 12 credits in developmental, activity, and enhancement courses may apply toward a bachelor degree or 6 credits toward an associate degree.
- Numbers 100-299 are lower division courses designed primarily for students at the freshman and sophomore levels.
- Numbers 300-498 are upper division courses primarily for juniors and seniors but are open to students who have completed the freshman level of study.
- Number 499 designates independent study or a research project at an advanced level.
- Numbers 500-599 are graduate level courses.
- Of the 128 credits for a bachelor degree, at least 64 credits must be at the 200 level or above.

**FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974 (FERPA)**

Marian University operates in compliance with the Family Educational Rights and Privacy Act of 1974 (FERPA), as amended. Students have the right to inspect all official records which pertain to them and to challenge inaccurate or misleading information, except parents’ financial records and confidential letters and statements placed in the record before January 1, 1975, or placed under conditions where students have signed a waiver of right of access.

All student academic information is considered confidential except the following “directory” information available to the public: student’s name, campus address, off-campus address, email address, telephone number, voice mail number, date of birth, photograph, major field of study, participation in university activities and sports, physical and performance statistics of members of athletic teams, dates of attendance, full-time/part-time status, degrees, awards, and honors including the Dean’s List, and most recent previous institution attended by student.

***The student may request that “directory” information not be released by completing the FERPA Request form in the Office of the Registrar at the beginning of each semester. Failure to notify the Office of the Registrar may mean that university publications, such as***

team rosters or student directories, may include some directory information. More information about FERPA is available online at [www.marian.edu](http://www.marian.edu).

### **ARMY RESERVE OFFICER TRAINING (ROTC)**

Through a cooperative program with IUPUI, Marian University students may enroll in the Reserve Officer Training Corps (ROTC) program which leads to a commission in the U.S. Army, Army National Guard or Army Reserve. All ROTC classes (indicated with course prefix MIL) taken are applied as general electives to your Marian University academic record. The leadership classes are open to full-time students, men and women, without incurring any obligation to continue the program to enter into military service. The first two years are exploratory in nature and offer one or two hours of academic credit per semester. Students wanting to continue the program and receive a commission upon graduation must apply for admission into the advanced program at the end of the second year of ROTC. Selection is competitive. Marian University students who are eligible for assistance can receive significant scholarship assistance by participation in this program. There are no restrictions on majors for students interested in ROTC. Students who do not continue may still use credits as electives earned toward any degree. For more information call 317.274.2691/0073 or email at [goarmy@iupui.edu](mailto:goarmy@iupui.edu). Visit the Army ROTC website at <http://www.iupui.edu/~armyrotc/>.
