General Information and Approval

Only courses required for your degree (major, general education requirements and general electives needed for graduation) can be submitted to the VA for payment. The VA will not pay for non-degree classes. Questions regarding housing allowance should be directed to the VA directly. **You are responsible for keeping your address, email and cell phone number up to date with the VA. Students taking courses in with clinical locations in Nashville or Oklahoma City, please note, we are MARIAN UNIVERISTY OF INDIANAPOLIS.** You will receive the housing allowance if eligible, based on the Indianapolis campus.

To the best of my knowledge I believe, I am eligible for full or partial benefits from the VA and I request to have my information sent to the VA to receive these benefits. I understand that if the VA only partially covers my tuition, I am responsible for any remaining tuition and/or fees and finding alternate forms of payment. I understand that 2nd degree students are not eligible for the yellow ribbon program. I understand non-degree students cannot be submitted for the GI Bill without a guest letter from their primary school.
