

How to Plan Your Future Classes

To access your MUHUB, go to the [MyMarian](#) webpage and click the MUHUB link. Login with your Marian username and password. **You must confirm your contact information and create an emergency contact before you can register for classes.**

Register for Classes

1. Click "Student Planning."
2. Click "Plan Your Degree and Register for Classes."
3. Use navigation arrows to find the correct semester.
4. Use the Search the Courses search bar to locate classes.
5. Click view available sections.
6. Select the course by clicking "Add Course to Plan."
7. In the pop-up box, select term for the course to plan it.
8. You can continue to use the search bar or the filters on the left of the screen to continue adding classes to your plan.
9. When you are ready to register, click the "Register Now" button.

View Course Timeline and Submit Petitions

Clicking on the timeline tab

1. See a snapshot of all you have planned and taken in previous semesters.
2. Drag and drop to make edits.
3. View grades on previously completed courses.

Clicking on the advising tab

1. Send messages to your adviser.
2. A log is kept of the message thread for your reference.

Clicking on petitions and waivers tab

1. View waivers, such as prerequisites that have been submitted, reviewed, and denied.
