Event & Conference Planning Guide

As the campus of Marian University continues to grow the utilization of spaces is also growing. In an effort to better serve you and your guests of Marian we have put together this informational document for you.

External Events

Any event that is NOT being hosted by a Marian University department (i.e. not being paid for with a departmental budget code/PO Number) is considered an external event. If you are in contact with an organization or company that is interested in using one of MU’s spaces, please direct them to Office of Conferences & Events, Nikki Jo McCrady at nmccrady2@marian.edu or 317-955-6324.

Internal Events

There are certain steps to take when planning your internal event or meeting here on campus. Please be sure to go through the listed steps to ensure that not only you are prepared, but also the necessary departments are prepared as well.

- Department or Office is responsible for any hard costs
- A member of the MU faculty/staff must be present for the duration of the event OR the Office of Conferences & Events can provide a host for a fee
