

MATHEMATICS PLACEMENT TESTING: INTERPRETING YOUR RESULTS

Math test score	Course recommendation	Noncourse equivalency in MUHUB (not credit, allows registration)
0-25	MAT-095	MAT-095P
Students scoring in the range above (0-25) <u>must</u> complete the required developmental course before taking one of the general education courses below. According to the Marian Academic Catalogue, the developmental course should be taken in the first semester and a grade of C or above is required to continue. Students scoring in the ranges below (26+) may choose one from the following courses as deemed appropriate by their discipline (major), background, and interest. Their advisor will guide them in this decision.		
26-45	Options, may vary based on major: BUS-205 CST-150 MAT-115 MAT-130 MAT-145 MAT-215 PHL-150 PSY-205 SOC-205 STA-205	MAT-GENP
46-61	Any of the above options, <u>except</u> MAT-145 Additional options: MAT-230	MAT-GENP MAT-230P

ATTENTION ADVISORS: If there is a question about a student's placement, consult with Dr. DeLong (x6477) **BEFORE** making any changes or substitutions. Dr. DeLong will evaluate the request and indicate whether another placement would be advisable.
