PLTW

PROJECT LEAD THE WAY

3
COLLEGE CREDIT HOURS

TURN PLTW EXPERIENCE INTO A HEAD START

Complete PLTW's Introduction to Engineering Design (IED) and earn an Accomplished rating or higher on the End-of-Course Assessment to receive 3 credit hours for EGR-101 Introduction to Engineering at Marian University

WHY IT MATTERS

01
ARRIVE WITH EXPERIENCE
Bring the design process, problem solving, and hands-on skills you've already built.

02
KEEP BUILDING MOMENTUM
Move from high school engineering into Marian's hands-on engineering curriculum.

03
START WITH AN ADVANTAGE
Earn recognized college credit before your first semester at Witchger begins.

FROM HIGH SCHOOL
TO ENGINEERING SCHOOL
One pathway. More momentum.
